Chris Stoneman raised it, indicating it would be important to have this cited prior to the call with OP. He brought it up on our last call with Greg.

We have a proposed FIP to sign next week so I hope Mike's research takes longer than a week as we plan to have Shaun sign it. Did Mike raise this delegation issue or did someone at hqs?

Hi Dee and Claudia,

Chris Stoneman recommended preparing a one-pager for our meeting with Jan Galbreath on Monday. Please see attached, I appreciate any comments/suggestions.
